Miguel Cisneiros

Bioinformatician and research data steward · Lisbon, Portugal
github.com/mcisneiros

Experience

TODO start date – present	**Pre-doctoral Researcher** · INESC-ID / Instituto Superior Técnico, Universidade de Lisboa Machine Learning and Knowledge Discovery (MLKD) group. Working on the MALDIBANK Horizon Europe project (MALDI-TOF MS data and AI methods).
2024 – 2025	**Data Steward, Bioinformatics Technician** · BioData.pt, ELIXIR Portugal FAIR principles and GDPR compliance, SOP development, technical writing for project documents, metadata curation and data standards.
2025 – present	**Collaborator, FEGA Portugal** · BioData.pt, ELIXIR Portugal Data Steward of Sensitive Data, Helpdesk Officer, SOP writing.
2024 – 2025	**Research Fellow, PHENET** · ITQB/NOVA Design and curation of soil ontologies to improve semantic integration of environmental datasets. Supervisor Inês Chaves.
2022 – 2024	**MSc Thesis** · Gulbenkian Science Institute (IGC), PCG Research Group "Comparative demography of endangered species using genomic data". Supervisor Lounès Chikhi. Grade 18/20.
2021	**BSc Curricular Internship (Erasmus+)** · KU Leuven, Belgium "Development of In silico Strategies To Advance the 3Rs in Toxicity Testing". Supervisors Vera van Noort and Diksha Bhalla. Grade 19/20.

Education

2021 – 2024	**MSc**, Evo-Devo Biology · Faculty of Sciences, University of Lisbon (FCUL) Grade 16/20
2018 – 2021	**BSc**, Bioinformatics · Barreiro School of Technology, Polytechnic of Setúbal Grade 16/20

Skills

Programming: Python (NumPy, Pandas, Matplotlib, Scikit-learn), Bash, git, R, SQL

Areas: FAIR data, GDPR, ELSI, ESG, metadata and ontologies

Languages

Portuguese (Native); English (C1); French (B1); Dutch (A1)

Courses, congresses and conferences

2024	**BioHackathon Germany 2024**. ELIXIR Germany / de.NBI, Kassel. LLMs, ontology mapping, Bioschemas/RO-Crates.
2024	**PHENET Data Management Training**. INRAE, Paris. Metadata management, FAIR, repository submission, cloud workflows.
2024	**XIII Bioinformatics Open Days**. NEBIUM, UMinho, Braga.
2023	**XIX ENBE, National Meeting of Evolutionary Biology**. Lisbon. Poster "Comparative demography of endangered species using genomic data".
2023	**TULIP Summer School 2023**. LabEx TULIP, Toulouse. Project on the genetic basis of color and patterns in plants and animals.
2022	**13th International Course on Developmental Biology**. Sorbonne Université / Institut Curie, Paris.
2021	**Organizing Committee, IPS Bioinformatics Days**. Polytechnic of Setúbal (2020-2021).

Leadership and engagement

2021 – 2022 **Fulbrighter, SUSI for Student Leaders on Civic Engagement** · Fulbright Commission Portugal, U.S. Department of State, University of South Carolina
Participated in 2021 and 2022.

2019 – 2021 **Two-term student representative, BSc in Bioinformatics** · Polytechnic of Setúbal

2020 **Moderator, debate "LGBTQI+ Inclusion in Higher Education"** · Fulbright Commission Portugal

2018 **Participant, "Gender Equality & You" conference** · Austrian Presidency of the Council of the EU, Vienna
